Professional Summary:

Enthusiastic and detail-oriented graduate seeking an entry-level Content Moderator role. Skilled in evaluating text, images, and videos for appropriateness, accuracy, and compliance with guidelines. Committed to maintaining a safe, respectful, and engaging online community.

Education

- **Bachelor of Computer Applications (BCA)** – Berhampur University, Odisha – 2021
- **+2 Science** – CHSE Odisha – 2028
- **10th Standard** – BSE Odisha – 2016

Key Skills

- Content Moderation & Community Guidelines
- Attention to Detail & Critical Thinking
- Familiarity with Social Media Platforms (Facebook, Instagram, X, LinkedIn)
- Online Safety & Reporting Tools
- Communication & Collaboration
- Problem Solving & Conflict Resolution
- Time Management & Multitasking

Academic / Personal Projects

- **Community Safety Case Study** – Researched how platforms apply moderation policies to control harmful content and presented findings on best practices.
- **Mini Web App for Reporting Content** – Built a simple reporting tool using HTML, CSS, JavaScript to simulate a content-flagging workflow.

Internship / Training

- Completed online course on Digital Media Ethics & Moderation (Coursera/LinkedIn Learning).
- Trained in identifying spam, abuse, and policy-violating content.

Achievements

- Volunteered to manage online discussion groups in college, maintaining healthy engagement.
- Participated in inter-college debate on “Safe Use of Social Media.”
