<https://www.cocubes.com>

<https://static.cocubes.com>

<https://scripts.cocubes.com>

<http://cocubes.in>

<http://cocub.es>

Note: If you are using http based domains, please ensure they are also whitelisted.

Whitelisting IP Addresses & Port Numbers

To allow https based domains, ensure following IP Addresses with port numbers are whitelisted in firewalls or gateways.

219.90.65.17:443

219.90.65.18:443

219.90.65.19:443

219.90.65.25:80

Note: To allow http based domains, whitelist above IP Addresses with port number 80.

Whitelisting Email Domains

To ensure successful delivery of emails, following domain should be whitelisted as 'safe' domain to any Email software/Email providers/Firewalls handling any emails:

cocubes.com

Minimum Internet Speed (Recommended)

In case of Campus Drive, ensure that the bandwidth equivalent to the minimum internet speed is available as per candidate count specified in the table.

Candidate Count	Speed
0 - 50	1 Mbps
50 - 200	2 Mbps
200 & more	4 Mbps

Note: If it is a Walk-In or Take from Home Assessment, minimum internet speed recommended is 256 Kbps.
